The NNMC Math Activity Centers will be used by the above named school/organization at the rates listed above. It is the responsibility of the contact person to arrange pick-up and delivery. The Math Activity Centers are housed at the Regional Center for Teaching and Learning (RCTL) 380 Edison Way, Reno, NV 89502.

All materials and a checklist are included on a wheeled cart. All boards are now in 8-1/2 by 11 inch stands. Additional items are stored in a materials box. A master of the game sheets is included in the Masters Folder.

**Masters are to be left in the files upon return of the materials.**

All materials lost, stolen, broken or damaged in any way are the responsibility of the school/organization using them and will be replaced with funds from the security deposit. A refund of the remaining security deposit will be returned within 3 weeks of the return of the Activity Centers.
