

Student Association for International Water Issues

Agenda: October 19, 2007 @ JTSU Chamber Senate Rm. (Minutes in blue text)

Thank you for showing up!

1) Photo exhibit fundraiser (October 9th) update

Great team work everybody! Without each of you, this event could not happen. The photo sale was about \$400 and total profit came out to be \$650. There are still some wine and appetizers left, and we can use those for the future fundraisers. This was the very first SAIWI's photo fundraiser. It must have been really challenging to organize from the scratch for the committee chair, Marcy. Fantastic job, Marcy!

2) African Trip 2007 update by Jeremy

Due to the technical difficulty, we could not have the Jeremy's presentation. Thank you for running to the meeting, Jeremy.

3) Future fundraiser

1) Wine Tasting at L'uva Bella (the Summit Siera Mall) from 6:00p.m. to 8:00p.m. on November 12, 2007 (Mon.): This also involves a silent auction. We are still accepting volunteers. Let Harmony or Peggy know if you want to join us.

2) Photo exhibit (December) at La Bussoala gallery: We can hang our pictures from the photo fundraiser in the gallery for a month. The photos are for sale, but most importantly the work of SAIWI can reach out to a different group of people. We will have an opening event on the first night. The detail will be updated later.

3) Magic Underground (December): During the magic show, we will have a booth and sell foods. We could also do the silent auction. The detail information will be updated later.

4) Wine Walks (December?): It will be 3 hours ish walk event with wine. The detail information will be updated later.

4) Next meeting: DRI Researcher/Dr. Alex Lurz: "Working in Africa"
November 1st, 2007 (Thur) @ LMR 253

Also, we had a sign up sheet for the potential project. Let Harmony or Peggy know if you are still strongly interested in the following projects:

- 1) Ghana (January/Spring/Summer)
- 2) Navajo Nation (Summer)
- 3) Cameroon (Summer)
- 4) Kenya (Summer)
