

# Student Association for International Water Issues

**8<sup>th</sup> Meeting Minutes: February 12<sup>th</sup> (Tue), 2008**  
**Minutes are in Blue Text**

- 1) **X-night:** March 6<sup>th</sup> (Thurs) Sign up  
SAIWI is going to have a table during the X-night at the Nevada Art Museum on March 6<sup>th</sup> (Thurs). We can advertise the African Dinner and hopefully can sell more tickets.
- 2) **World Thinking Day:** February 22<sup>nd</sup> (Fri), 6:30-8:00p.m.  
@ Shaw Middle School Sign up  
SAIWI could have had a table at the Shaw Middle School in Spanish Springs, but unfortunately we could not organize the group for this due to the busy time for us. We sent our brochures and fliers of the African Dinner to have elementary school students to learn about our activities.
- 3) **African Dinner on March 8<sup>th</sup>, 2008 (more info @ [www.saiwi.org](http://www.saiwi.org))**  
We started forming cooking and serving clues, also. Tickets sales and handing out fliers started.
- 4) **the Navajo Nation project (summer 2008)**  
E-mail Peggy to sign up for the **final** Navajo Nation project list. This applies to those who already showed the interest to her. Decide based on the information what you have gotten so far and tell her your final decision. Even if you are new, you have lots of opportunities to help out SAIWI through the African Dinner and another fundraiser before this semester ends.
- 5) **Next Meeting:** March 28<sup>th</sup> (Thurs) 5:00p.m.~ @ LMR 253  
Oops! The meeting is not in March, but February. We will see on February 28<sup>th</sup>!
- 6) If you are new, please let Peggy know...
